MOORCROFT VASE IN THE SWEETNESS DESIGN By Designer Nicola Slaney.

(With their delightful wisps and tendrils, sweet peas have made a lovely floral subject at Moorcroft for decades and so their reoccurrence was inevitable. Nicola scattered a wild and unkempt cluster of the colourful annual flowers, with delicate tendrils tubelined in green, for the Moorcroft Club's 30th anniversary in 2017. Its popularity was instant and could simply not be ignored. With connoisseurs eager for more, Sweetness makes a very welcome re-appearance in 2018. Nicola has used a pure white background to her design and as a result her sweet peas appear bright, cheerful and tempting.)

MOORCROFT Large 25cm VASE (Shape No 159/10) "BUCHANAN" (Numbered Edition,No 62) Signed By Designer Nicola Slaney.R.R.P. £315.00

(Mackintosh first met businesswoman Miss Cranston in 1896 and was given the commission to decorate the Buchanan Street Tea Rooms with mural decorations and new furniture designs. This project marked the beginnings of a combination which was to extend over the next 20 years and was to provide Mackintosh with some of the most important of his commissions.

Here in the mural decorations, symbols and shapes began to emerge. Stylised calla lilies with pure white petals and green stamens stand side by side to create a geometric pattern. Elongated straight lines and dots, dashes and small squares perforated the design, appearing almost like hieroglyphs to be deciphered by the curious diners. Nicola has put her own unique twist on Mackintosh's linework, as her calla lilies have emerald green centres and red stylised Mackintosh roses adorning the top of this Moorcroft vase.)
