MOORCROFT Extra Large 41.5cm VASE (Shape No 82/16) "THE WILLIAMS PEAR" VASE (Limited Edition Of Only 30 Produced This One Being No 06) Designed And Signed By Emma Bossons. R.R.P. £975.00.

(William Morris was a prolific poet, and his first books of poetry, The Defence of Guinevere (1858) and The Earthly Paradise (1868-70), enjoyed considerable popular success. And all about were dotted leafy trees, The elm for shade, the linden for the bees, The noble oak, long ready for the steel Which in that place it had no fear to feel; The pomegranate, the apple, and the pear, That fruit and flowers at once made shift to bear'- The Earthly Paradise (1868-70).

Today, Emma recreates prolific fruit trees, laden with luscious pears. The Williams' bon chrétien pear, a commonly grown variety of pear in most countries, is also known as the Bartlett pear or the Williams pear, making it ideal for Emma's design of an Arts and Crafts pear orchard.)

MOORCROFT 16cm MANTLE CLOCK (Shape No CL1) "THE YELLOW SHRINE CLOCK" By Designer Rachel Bishop. R.R.P. £240.00.

(Hypericum or Rose of Sharon as it is more commonly known is a semi evergreen woody shrub which flowers during July, August and September. Generally speaking virtually all are yellow flowered and favour a sunny position with reasonable drainage and a moisture retentive soil. They sit comfortably within mixed borders and are easy to grow and have a lengthy flowering period. Gradually garden centres are beginning to stock more varieties as this plant group really does deserve to be seen and used more often.

Rachel has designed three pieces as a small clock, tray and vase based upon a compact hybrid Hypericum called Hypericum x moserianum. This first rate small shrub, usually not more than 50cm high, makes an excellent ground cover plant with arching stems. Flowers, 5-6cm across have conspicuous reddish anthers borne from July to October and these are clearly depicted. They help lift the design together with the typical pinkish red stems and overall golden yellow flowers and their repetition creates a subtle, very pleasing composition. Importantly it turns full circle from Rachel's original design when she was a very new member of the Moorcroft team, before the present Design Studio was born in 1997.)

MOORCROFT Large 24cm DOUBLE-GOURD VASE (Shape No 92/9) IN THE FROG AND THE DRAGONFLY DESIGN. (Trial Piece , Dated 6.1118.Later Went Into A Limited Edition Of Only 40 Produced) Signed By Designer Kerry Goodwin.R.R.P. £560.00. (On a double-gourd vase, that famous Florian style is brought back to life in colours of golden honey and tanzanite. Kerry embellishes flourishes of foliage with dragonflies at the top of the vase and frogs at the base. Crafty linework stylizes both the creatures in what is a most unusual Florianesque creation. On close inspection, scales and veins can be seen on the surface of both the frog and the dragonfly, expertly shaded with total precision.)

MOORCROFT Small SIAMESE CAT VASE "DOUBLE TROUBLE" By Designer Kerry Goodwin R.R.P. £140.00

(The delights of cat are manifold. Our furry friends get hungry, thirsty, sleepy, lively, curious – and sometimes they just want a tummy rub. Who can't relate to all that? Then there's their deep commitment to relaxation, which is both admirable and contagious. Happily, for Kerry, she is now 'cat mum' to two adorable Siamese kittens, Mr Pickles and Teddy Onions.

In time for National Cat Day on 29th October, we are delighted to see this addition to the extensive Moorcroft-cat-family featured on a design. With gorgeous sandy fur, which melts into a darker shade at the ears, and sky-blue eyes, these cats are set to be Moorcroft's biggest heart-breakers.)

MOORCROFT 7.5cm VASE (Shape No 35/3) IN THE SWEETNESS DESIGN By Designer Nicola Slaney. R.R.P. £210.00.

(With their delightful wisps and tendrils, sweet peas have made a lovely floral subject at Moorcroft for decades and so their reoccurrence was inevitable. Nicola scattered a wild and unkempt cluster of the colourful annual flowers, with delicate tendrils tubelined in green, for the Moorcroft Club's 30th anniversary in 2017. Its popularity was instant and could simply not be ignored. With connoisseurs eager for more, Sweetness makes a very welcome re-appearance in 2018. Nicola has used a pure white background to her design and as a result her sweet peas appear bright, cheerful and tempting.)

(Welcome Home 189/8 limited edition vase has been designed by Paul Hilditch and is part of Moorcroft's Armistice collection. After reflecting on the significance of Armistice Day and its origins, Paul decided to memorialize a true depiction of the end of war. He has done so by capturing the tangible essence of relief as soldiers return home. Swathes of meadows and trees lay before a group of comrades, preparing to start a new life. Each man carries a truer knowledge of life with him. A signpost points in the direction of the station from where they have come, while at their feet a mile stone confirms that home is just 1 small mile away.)

(Rachel has sought inspiration from Mackintosh's designs on several occasions- often drawn to the rose that was his world-renowned signature. Rennie Rose became a beautifully romantic range by Rachel in 2016. It sings of the colours and method of a brilliant designer and the era in which he worked.
